You need to be aware that all policies are subject to certain exclusions and conditions. It is therefore essential that **You** are aware of what is covered and what is not and any security requirements and conditions **You** need to comply with. For simplicity, the insurer uses keywords or phrases which are shown in Definitions and these are listed in alphabetical order. They have the same meaning whenever they appear and will always be shown in bold with an initial capital letter so as to remind **You** of their importance.

To help **You** understand the cover provided, sections of this policy wording are laid out under the following headings:

What is Insured – This text gives information about the cover provided

What is Not Insured – This text draws **Your** attention to what is not covered

In addition **You** should also read the General Conditions and Exclusions which appear after Section 22.

Your Certificate of Insurance should be read in conjunction with the Policy Wording and the Local Legal Information Document as together they form the basis of **Your** insurance contract.

It is **our** ambition at iCarhireinsurance.com to design products that meet **Your** needs. **We** are focused on providing **You** with the best-in-class products and selection in order to bring **You** peace of mind on **Your** trips wherever they may take **You**.
