

Statement of demands and needs

We have not / will not provide you with a personal recommendation as to whether our products are suitable for your demands and needs. Our products meet the demands and needs of people who meet the acceptance criteria, have recently bought a car or van and who wish to protect themselves against a potential financial shortfall in the settlement they receive from their main motor insurance policy in the event that the vehicle is subject to a Total Loss during the period of the contract of insurance with InsuretheGap.com.

Full details of the events insured, levels of cover and terms and conditions can be found in our GAP insurance policy wording.
